Click on the picture on the profile page.

Choose File to Upload

Once image is selected, click the "UPDATE PICTURE!" button

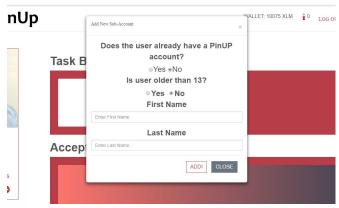

TC05 - Add Sub-Account User

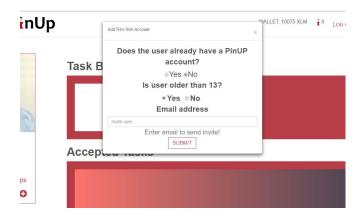

If the user being added already has an account

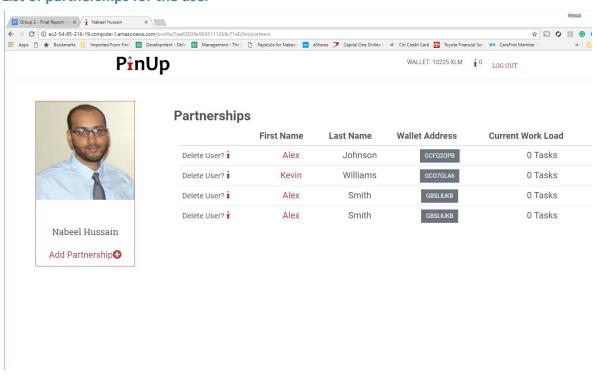

If user being added does not have an account & is under 13 years of age

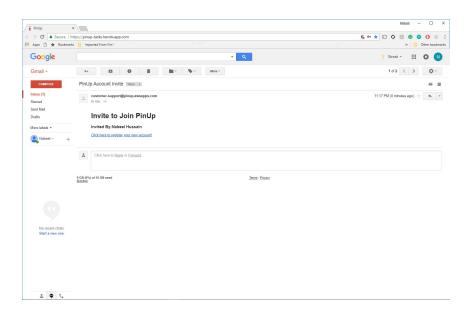

If the user being added does not have an account and is over 13 years of age

List of partnerships for the user

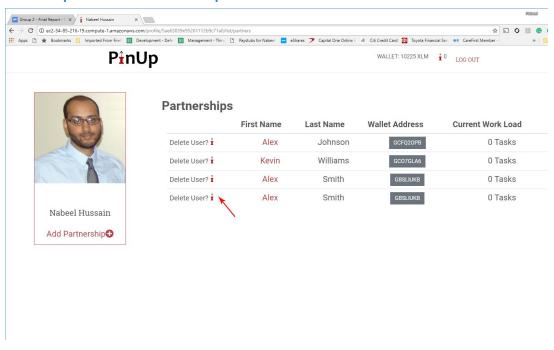

Invitation email sent to sub account user

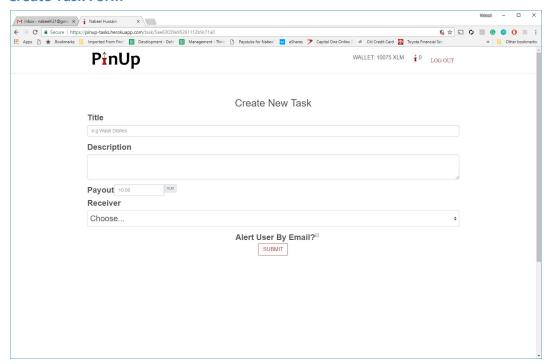

TC06 - Remove Sub-Account

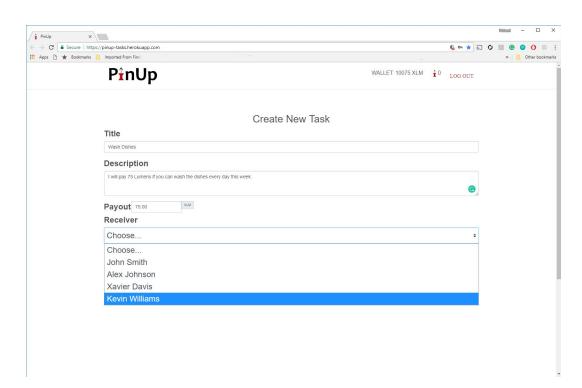

Click the pin icon to delete the specific sub-account user

TC07 - Adding a Task as the Sponsor

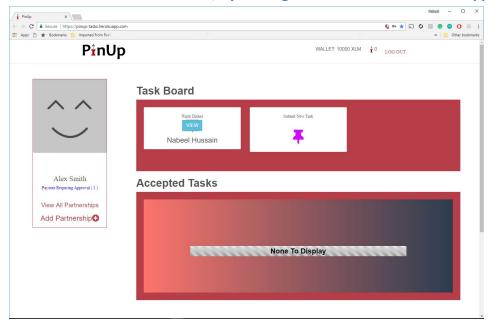

Create Task Form

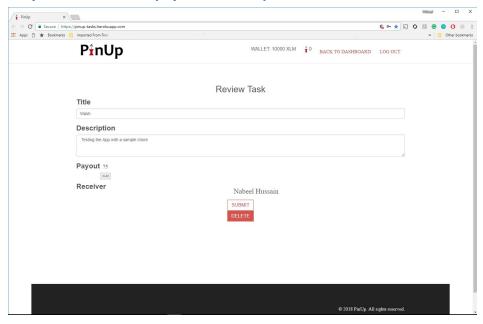

TC08- Editing a Task as the Sponsor

An account user can edit a task, by clicking the "View" button on the appropriate task.

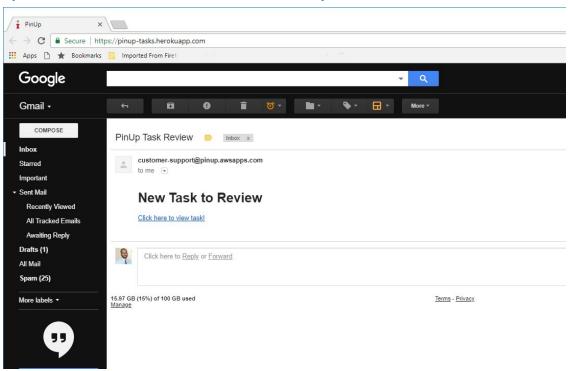

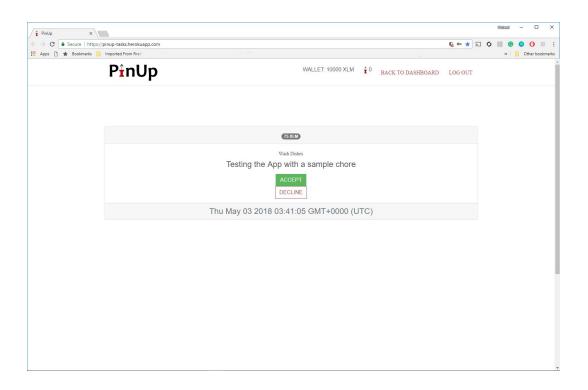

They can edit the task payout or description and then click the "Submit" button.

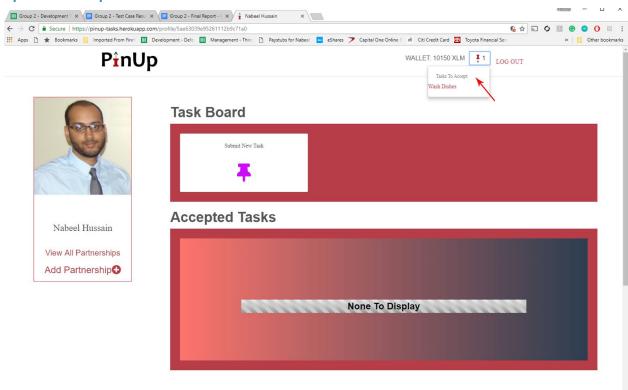

TC09 - Initiating a Task as a Sub-Account

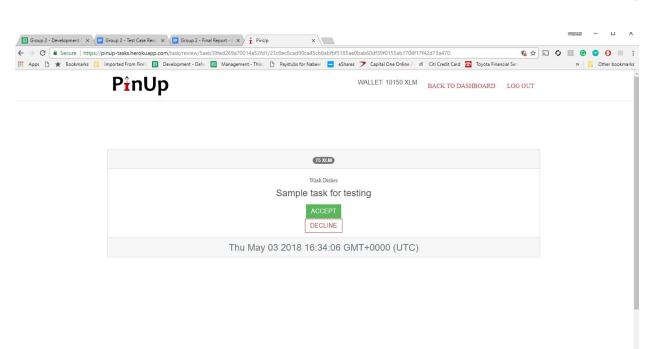

Option 1: Email sent to sub-account user to accept Task

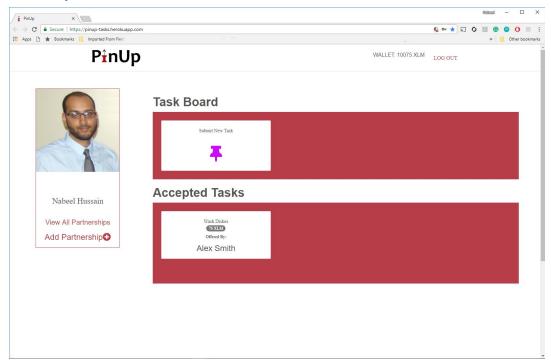

Option 2: Accept Task via the dashboard

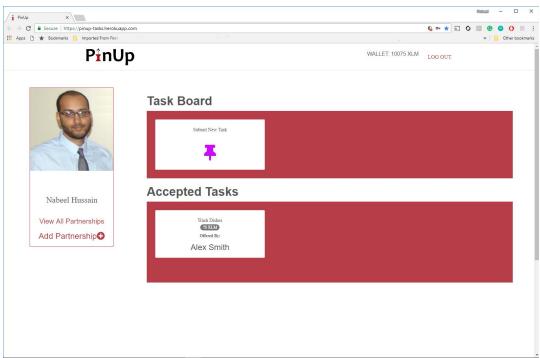

The accepted task is now shown in the users dashboard

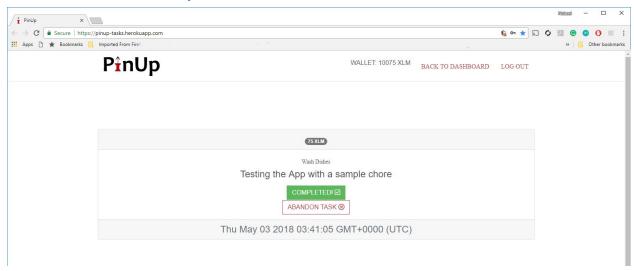

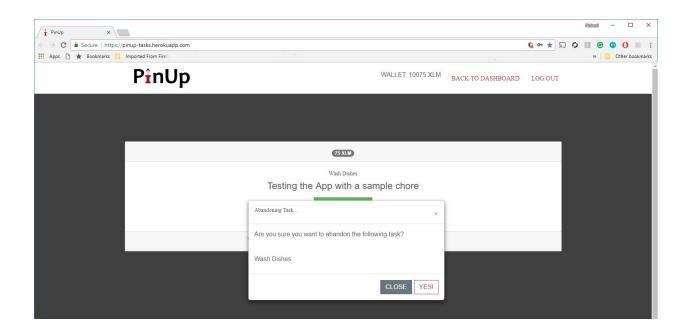

TC10 - Canceling a Task as a Sub-Account

Click the appropriate task in the "Accepted Tasks" section

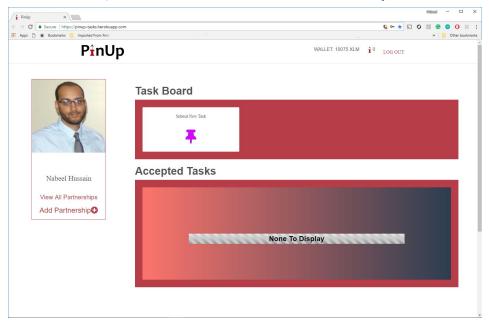

Click the "Abandon Task" Option

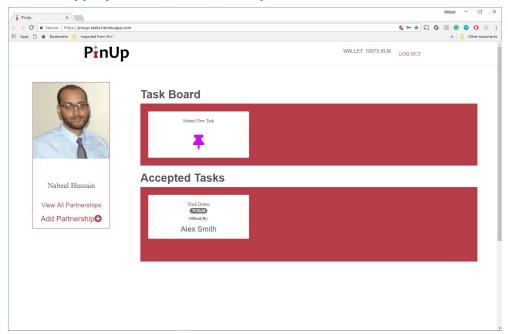

Once cancelled, the task will be removed from the "Accepted tasks" section of the dashboard

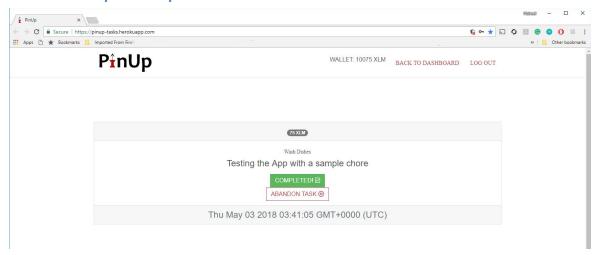

TC11 - Completing a task as a Sub Account

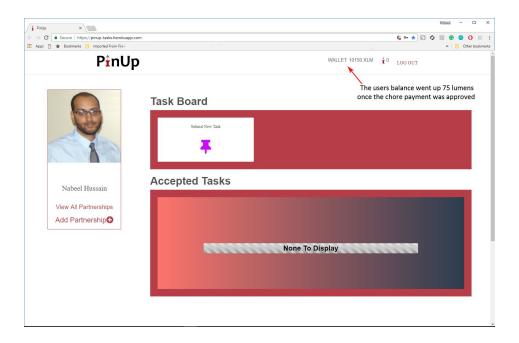

Click the appropriate task in the "Accepted Tasks" section

Click the "Completed" Option

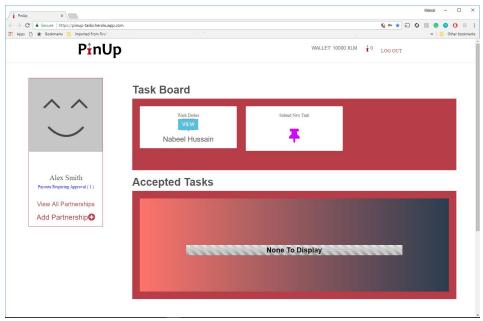

Once the task is verified as complete and approved by the sponsor, then the money will be transferred into their account.

TC12- Cancelling a Task as the Sponsor

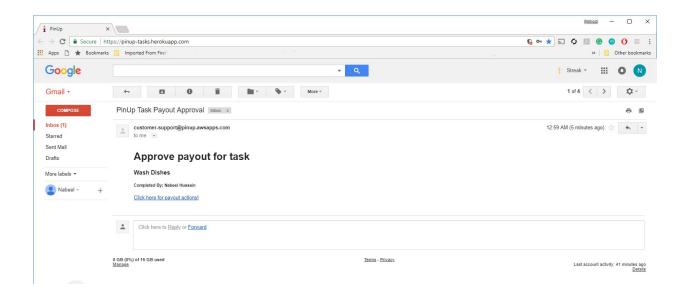

An account user can cancel a task they no longer want completed, by clicking the "View" button on the appropriate task they are sponsoring.

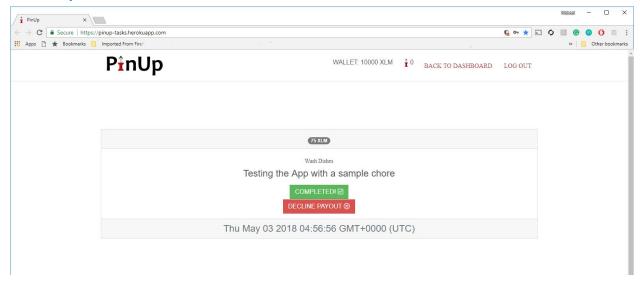

They can choose to cancel the task by clicking the "Delete" button.

TC13 - Approve Payment for Completed Task

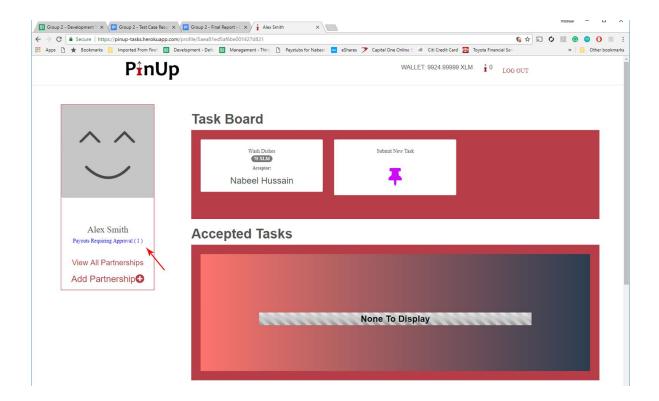

Option 1: Once an assigned task has been completed, the sponsor will receive an email notification to approve payout.

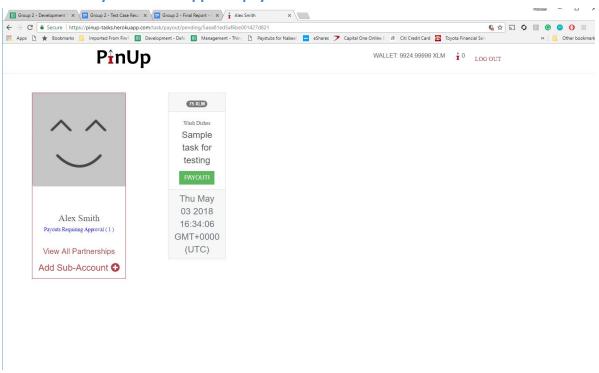

They can click the "Completed" button if the task was done to their satisfaction. At this point, the amount agreed upon for completing the task will be transferred to the user's account who completed it.

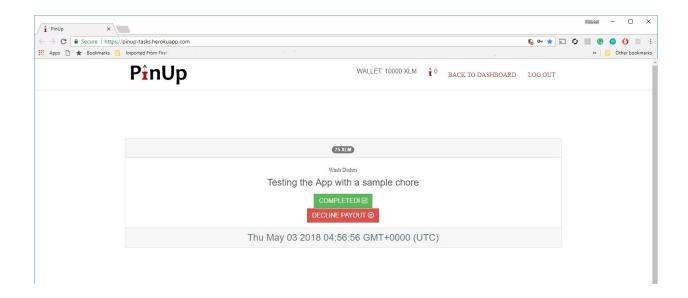

Option 2: Approve payment via the dashboard

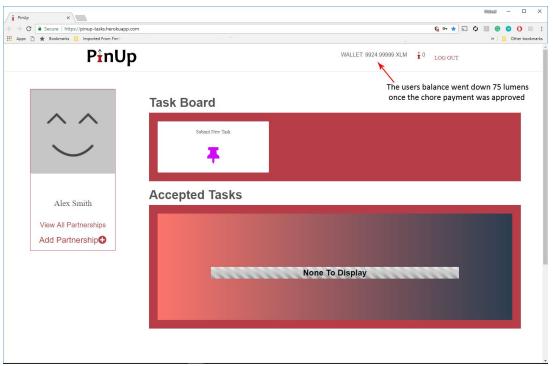

Select the task you want to approve payout for

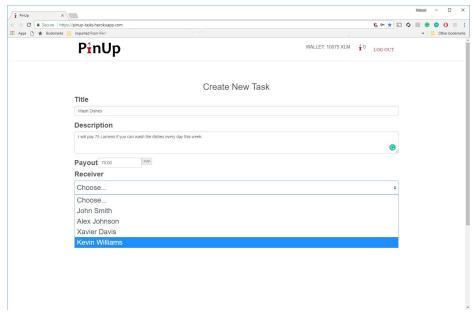

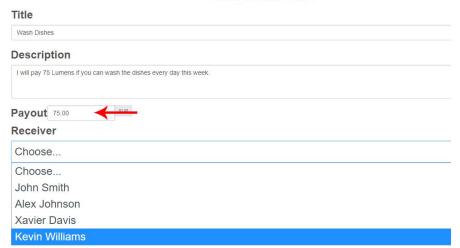

The payout amount for the completed task will be taken out of the sponsor users account

TC14 - Assigning a Payout Amount to a Task
